

ACTIVITY PLAN – SESSION 14

Session	14
Theme	International Twenty20 activity
Title	Cricket collage
Curriculum area	Art

Where has this session come from...

We have looked at the spirit of cricket in previous activity, and also the history of The Ashes – this gives opportunity for creative work related to this.

Learning objectives

Produce a piece of art work that is linked to a theme.

Room layout and preparation

Room set out for Art and Creative work.

Will need resources for collage work.

Possibly Whiteboard projection for PowerPoint and access to Internet to gather further resource images.

Starter activity

Review ideas of rules of the game and spirit of the game.

Main activity

Use Internet resources to gather images of The Ashes, spirit of the game, history of The Ashes, equality of The Ashes, maybe looking at the Olympic and Paralympic Values

- Determination
- Respect
- Excellence
- Equality
- Friendship
- Courage
- Inspiration

Construct a collage with the aim of highlighting the spirit of cricket relating to one or more of the Olympic and Paralympic values.

Alternatively there are other types of Art work that could be done to accompany The Ashes. Make Aboriginal Art, relating to dreams and hopes.

Opportunities for differentiation

The art work can be differentiated by offering different levels of support.

Where the session is leading...

This session can produce display material for rooms, corridors etc.

Assessment opportunities

The assessment opportunities of this depend on the nature of the projects undertaken. They could be writing or speaking and listening assessment focus.
